OPUS SHARIAH SHORT TERM LOW RISK ASSET FUND

THE MANAGER'S EXPLANATORY NOTES IN RESPECT OF THE RESOLUTIONS PROPOSED FOR THE UNIT HOLDERS' MEETING TO BE HELD ON 16 AUGUST 2023

1. Resolution 1

- 1.1 Currently, the Fund intends to distribute income, if any, at least once a month on a best effort basis. Distribution of income can only be made from realised gains or realised income. However, the Manager reserves the right not to distribute income at its sole and absolute discretion.
- 1.2 The Manager is proposing to change the distribution policy of the Fund to allow the Fund to declare distribution out of the Fund's capital in addition to realised gains and realised income pursuant to the provisions of the Guidelines on Unit Trust Funds issued by the Securities Commission Malaysia which allows a variable price fund such as the Fund to declare distribution out of its capital.
- 1.3 Although the intention of the Manager is to declare distribution out of the Fund's realised gains and/or realised income, the Manager would like to have the flexibility to declare distribution out of the Fund's capital in unforeseen circumstances where the Fund has insufficient realised gains and/or realised income to do so. This would also allow the Manager the flexibility to also increase the amount of distributable income to the unit holders after taking into consideration the risk of distributing out of capital.
- 1.4 If the resolution is passed, and if the Fund declares distribution out of its capital, unit holders should be aware that the Fund's capital will be eroded, the distribution is achieved by foregoing the potential for future capital growth and this cycle may continue until all capital is depleted. The greater the risk of capital erosion that exists, there is likelihood that, due to capital erosion, the value of future returns would also be diminished.
- 1.5 If the Fund were to declare distribution out of its capital after the passing of this resolution, the composition of distribution payments sourced from income and capital will be disclosed in the Fund's semi-annual and annual reports, both in terms of value and percentage
- 1.6 If the resolution is passed, the change in distribution policy of the Fund will be reflected in the deed and prospectus by way of issuance of a supplemental deed and a supplemental prospectus.

2. Resolution 2

- 2.1 Currently, the fees in relation to fund valuation and accounting is borne by the Manager.
- 2.2 The Manager is proposing to include the fees in relation to fund valuation and accounting as part of the Fund's expenses pursuant to the provisions of the Guidelines on Unit Trust Funds issued by the Securities Commission Malaysia which allows such fees to be payable out of the Fund's net asset value. As such expense is directly related and necessary to the operation and administration of the Fund, the Manager is of the view that such expense should be payable out of the Fund's net asset value.
- 2.3 If the resolution is passed, the fees in relation to fund valuation and accounting will be calculated and accrued on a daily basis in the net asset value per unit of the Fund, and such fees will be payable out of the Fund's net asset value.
- 2.4 If the resolution is passed, the inclusion of fees in relation to fund valuation and accounting as part of the Fund's expenses will be reflected in the deed and prospectus by way of issuance of a supplemental deed and a supplemental prospectus.
